## NOTES.

The war has caused a falling off of approximately 70 per cent. in the attendance at the Law School and the consequent reduction of the Editorial Board to one-third its normal size.

As already announced to our subscribers, of whose loyalty we have since then had abundant evidence, we find it impossible under the circumstances to publish more than four, instead of the usual eight, numbers during the current scholastic year.

Owing to the small size of the board there will necessarily be a reduction in the amount of editorial matter, but members of the Faculty will from time to time contribute notes signed by them.
